**Renewals For All Permits Expiring February 28, 2022 Extended to March 15, 2022**

Dear Permit holders,

We again thank everyone for his or her patience and consideration over the last few months. Because of the Mardi Gras season, there has been an increase in volume of applications submitted to the ATC. We are diligently working to process these renewal applications. In consideration that the February renewal period ends in the midst of Mardi Gras, an extension will be granted to any business located in Jefferson Parish, holding a valid alcohol and tobacco permit. This extension shall only be applicable if the licensee has submitted their renewal application to the ATC prior to their expiration date of February 28, 2022. Permittees shall be granted an extension through March 15, 2022 or until such time a decision has been rendered on their renewal application. All Wholesalers may continue to sell alcohol and tobacco products to their customers located in Jefferson Parish through March 15, 2022 unless otherwise notified.

We again appreciate everyone's understanding and patience during this time. We will continue to strive to improve on our process. We wish everyone a safe and happy Mardi Gras. Should you have any questions or concerns, you may submit it to [ATC-Attorneys@atc.al.gov](mailto:ATC-Attorneys@atc.al.gov).

Sincerely,
